NCJW|LA CELEBRATES

the Spring 2019 Scholarship Recipients

It was an exciting summer day for everyone at NCJWLA on Monday, August 5, 2019. We awarded scholarships to nine recipients from nine different schools in Greater Los Angeles. Recipients joined their friends and family at a lovely networking luncheon. It was amazing to see a full house of friends and family, professors, mentors, and NCJW | LA community members, as we gathered to celebrate the achievements of the stellar recipients. NCJW | LA scholarships support Angelenos in achieving their educational goals. Our next cycle will open in September 2019. Visit our website for more information [Click Here](#).
