FAIR WORKWEEK

Join NCJWLA at City Hall on Friday May 17, 2019 to support our thrift employees as they testify on the importance of passing ordinance proposed by the Fair Workweek Campaign. As members of the FWWC, we are advocating to ensure retail workers have at least two-weeks advance notice of their scheduling, ensuring employees have congruent hours, and other essential health and safety conditions. We believe all employees should be treated with dignity.

Location: Downtown LA City Hall
Time: 9:00am
