Help Support Low-Income Families

At NCJW|LA, we are making changes to ensure our clients are treated with dignity and respect. Our expanded Clothing Assistance Program allows recipients to use vouchers in any of our stores, for any item they need, when they need it.

As we continue to grow our services to support low-income families, we need your help! For just $40, you can ensure a voucher is available for someone who needs clothes for an upcoming job interview. With $130, you can help provide vouchers for a family of four as they prepare for the winter.

Your gift, in any amount, will make a big impact. Thank you for making a gift today!
