

YOUR CHANCE TO VOLUNTEER HAS ARRIVED!

Your chance to volunteer has arrived! As a Scholarship Reader, you will be trained to evaluate applications from home and help us select recipients for 11 available scholarships. Become a Scholarship Reader and support students in financial need!

The NCJW|LA scholarship program provides financial support to students in local colleges and universities. With our recently launched online application system, the application process is quick and easy. As a reader, you'll have technical support available to assist you along the way.

Here's how it works:

1. Set-up your training meeting with me April week 3 and 4
2. Register your Scholarship Reader account with Smarter Select
3. Review each scholarship & qualifications
4. Use the new & easy evaluator scoring rubric
5. Submit your evaluation!

Volunteer Requirements:

- Must have reliable internet access
- Must have an electronic device available (i.e. tablet, computer, etc)
- Must be able to commit 10-15 hours/week for two weeks

Help someone today with this rewarding process, we would love to have you on our reader team!
